

HE and Careers Day – Wednesday June 22nd

Havering Sixth Form College's Higher Education and Careers Event takes place in College on Wednesday June 22nd.

This event, which runs from 9.30am to 1.45pm and is aimed at Lower Sixth students, is not to be missed as it will provide information on the various options available to students when they leave the sixth form.

There will be a Careers Fair in the sports hall with many representatives from businesses and organisations, such as Channel 4, Reed Employment and notgoingtouni.co.uk available to give advice on work and job hunting.

For those students looking to go on to higher education, there will be representatives on site from more than 30 universities and colleges, including City University, Cambridge, Brunel, Hertfordshire, Essex and Greenwich, to name a few.

Running alongside the Fair will be a programme of talks for students to attend on such diverse topics as Student Life, Careers in Accountancy, Applying for Medicine, Gap year programmes, How to write a great Personal Statement, Apprenticeships and Starting your own Business.

The event will help students gather information and advice on how to plan their future and will give them the opportunity to talk to ex-students and careers experts.
