

AS/A2 Level Results and Guidance Service

Thursday 19th August 2010

AS Students

- Results will be available for collection from 10:30 am in the College Sports Hall.
- This is the only way you can collect your exam slips containing your exact results.

A2 Students

If you have applied to university through UCAS:

- Have your UCAS Track username and password ready the night before.
- From the **early hours of the morning on Thursday 19th August** you should be able to log onto UCAS Track to see if you have been accepted by your first or second choice university.
- If you have been accepted by your first or second choice - you simply have to celebrate! So, come into College and pick up your results from 10:30 am.
- Your university will write to you a few days later.

If you are not sure what to do, have not been accepted or have any other queries:

- Trained staff will be available in College from **7:30 am - 5:00 pm** on Results Day and also the following day from **9:00 am - 5:00 pm** to offer advice and guidance.
- Students who have not achieved their first or second choices will be able to access their examination results via MySite in College from 7:30 am. MySite can be accessed from the main College Portal via a link. The pathway to follow is: MySite>My Reports>Exam Results. **This service is available to A2 students only.**
- Computers and telephones will be available to use to access UCAS and university websites
- Detailed information and instructions for 'Clearing' is available on the College Portal as an attachment to 'Advice to Students on Results Day'.
- Jacquie Stewart, a qualified and experienced Careers Adviser from Connexions, will also be available to offer confidential and impartial guidance on all careers/education topics.

There is a huge demand for university places this year, if you have to search for an alternative course, it is vital you start as early as possible on Results Day.

Our team will do everything they can to help you

We wish all our students Good Luck and success in their future plans.
