

Students on board for university advice

Students at Havering Sixth Form College can find out how much it will cost them to go to university when a special double-decker roadshow bus visits next week .

The Anglia Ruskin University bus is set to drop into more than 30 schools and colleges across the Eastern region over the next few weeks and has been invited to park up for the day at the college, on Tuesday September 27.

Students will be able to find out about applying to university, the new finance system and tuition fees, they can get advice on their personal statements and ask general questions about higher education.

They will also have the chance to win a £50 shopping voucher for the most imaginative tweet about the bright green bus.
