

## Christmas Quiz Night Huge Success!!

On Tuesday 9th December, the Upper Sixth Executive PA group's 7th Christmas Quiz Night took place in the Gatehouse Building. It was attended by 120 staff, parents and students. The purpose of the Quiz Night was to enable students on the course to demonstrate their planning and organisational skills for a large event, as required on the course - and indeed they applied these skills to excellent effect on the night.

Tara Peppard and Ingrid Deane were the confident quizmasters, with Michaela Sweeney chairing the panel of judges, managing the electronic scoreboard and quiz questions.

The winning team were from the College IT centre - well done!

A luxury hamper was also raffled and won by Laura Groves, College HR manager. Enjoy!

Helen Zenios, the course tutor, said that she was delighted with the turnout and the professionalism of the students in organising such a complex event.
