- All students must have a coaching group and a main learning aim of 15 hrs/week.
- Please ask if you would like to be considered for an Aiming High group – minimum 5 As at GCSE.
- All students who do not achieve a Grade 4 or better in English or Maths, must study towards achieving GCSE English or Maths.
- All students must also have additional enrolments to make up their study programme of at least 1 extra hr and maximum of 8 hrs. This can be an additional qualification or from the learning plus category or something from both.
