		4 A Levels	20		
		3 A Levels + Core Maths	17		

- All students who do not achieve a Grade 4 or better in English or Maths, must study towards achieving GCSE English or Maths.
- Students should consider additional activities to make up their study programme but they are not compulsory.
- Work Experience should be undertaken by all vocational students. This may be one day a week or for 1-2 weeks, to be arranged at some point during the year.
