## Operating and Financial Review

### NATURE, OBJECTIVES AND STRATEGIES

The members present their report and the audited financial statements for the year ended 31 July 2013.

#### Legal status

The Corporation was established under the Further and Higher Education Act 1992 for the purpose of conducting Havering Sixth Form College. The College is an exempt charity for the purposes of the Charities Act 2011.

The Corporation is incorporated as Havering Sixth Form College.

#### Mission

The College's mission is reviewed annually by the Members of the Corporation. The current version is as follows:

*The College aims to be the first choice outstanding provider of full-time education for 16-19 year olds in the area, embracing diversity and creating excellent opportunities for all. Staff and students will participate fully in teaching and learning to maximise their collective potential and promote individual achievement at the highest level.*

#### Implementation of strategic plan

The College has prepared a Strategic Plan for 2013-2015 which will be regularly monitored and updated annually. This plan includes headline targets for student numbers and success rates. Within this plan the College has included financial forecasts and an accommodation strategy. The Corporation monitors the performance of the College against these plans and they are updated each year.

In 2012/13 the College had three Strategic Objectives to represent its priorities.

1. To provide an outstanding values-based education through the consistent pursuit of our educational objectives.
2. To maximise the use of the College site ensuring the creation of a safe, healthy and sustainable environment providing excellent learning for the maximum number of young people.
3. To effectively manage College finances in order to preserve the health of the College and prioritise investment in teaching and learning.

The College believes that by consistently working towards these objectives it will become outstanding. Each year the College develops Operational Plans, with specific targets that ensure progress towards achieving these Strategic Objectives.

#### Financial objectives

The College's financial objectives in 2012/13, which were all met during the year, were as follows:

- to maintain historic cost surpluses each year
- to maintain cash days of 30 or more at all times
- to have a general reserve of 25% of income
- to keep staff costs below 71% of the funding body recurrent grant.

#### Performance Indicators

The Corporation has a detailed set of KPIs which are used to monitor the College's performance.

In 2012/13 the College grew considerably, in line with the strategy. However, Success Rates, which are still being confirmed, were down significantly, particularly at AS level. The College had a full OFSTED Inspection in 2012/13 and was found to 'Require Improvement: Grade 3'.

The College has a current rating of 'outstanding' for Financial Health.

## **Operating and Financial Review (continued)**

### **FINANCIAL POSITION**

#### **Financial Results**

The College generated an operating surplus in the year of £441,000 (2011/12 a surplus of £834,000), with a historical cost surplus of £668,000 (2011/12 a surplus of £1,060,000). At the year end the College had total reserves of £12,500,000, (including accumulated surpluses of £6,530,000 and the negative pension reserve of £987,000) and cash balances of £2,346,000.

In June 2009 the College was informed that final approval for the major building programme would not be granted. This led to significant financial consequences for the College, with depleted cash reserves and a loan of over £1 million. However, over the subsequent four-year period, with careful financial planning, the College has recovered its strong financial base, as indicated by the figures above. The remaining balance on the loan was repaid at the end of July 2013.

Tangible fixed asset additions during the year amounted to £4,154,000. This included the building of a new classroom block and additional enhancements and maintenance to the College premises. The classroom block was completed for the academic year 2013/14 with some expenditure being incurred after 31 July 2013. The cost of the project amounted to just over £2,000,000 and was financed primarily from College reserves. The additional works to the premises were funded by an Education Funding Agency (EFA) Building Conditions Improvement Fund grant of £1,500,000.

The College relied predominantly on the EFA for its income source in the form of recurrent grants. In 2012/13 the funding body provided 99% of the College's total income.

#### **Treasury policies and objectives**

Treasury management is the management of the College's cash flows, its banking, money market and capital market transactions; the effective control of the risks associated with those activities; and the pursuit of optimum performance consistent with those risks.

The College has a separate treasury management policy in place. Any short-term borrowing for temporary revenue purposes is authorised by the Principal. Such arrangements are restricted by limits in the College's Financial Memorandum previously agreed with the LSC and subsequently transferred to the EFA. All other borrowing requires the authorisation of the Corporation and shall comply with the requirements of the Financial Memorandum.

#### **Cash flows**

For 2012/13 the College had an operating cash inflow of £1,090,000 (2011/12 cash inflow of £1,672,000).

#### **Liquidity**

The College had cash reserves at 31 July 2013 amounting to £2,346,000 (2012 - £4,194,000).

The College had secured a flexible loan facility to progress the building project to its final approval stage. Thereafter the loan agreement was to have been formalised for the period of construction and repaid over 20 years on completion of the project. This agreement was, however, conditional upon the College gaining final LSC approval by 31 July 2009. Since approval was not granted, the loan converted to a term loan, repayable over a period of four years.

The College made the final repayment of the loan on 31 July 2013.

## **Operating and Financial Review (continued)**

### **CURRENT AND FUTURE DEVELOPMENT AND PERFORMANCE**

#### **Student Numbers**

The College had 2,726 16-19 year old students on roll during the year. This activity produced £12,601,996 in funding body main allocation funding.

#### **Student Achievements**

The success rate for A levels was 94% with 35% A/Bs. The success rate for AS levels was 76.1%. Over 18 A levels had a 100% pass rate,

In the vocational subjects, the College saw high merit and distinction grades in several areas.

#### **Curriculum Developments**

The College remained involved with collaborative work with the Local Authority. The College introduced a number of BTEC Subsidiary Awards to broaden the curriculum offer and meet the changing needs and skills of its students with particular success in PE. There were key developments in learning outside the classroom with the appointment of two members of staff to develop a greater community feel to the College and introduce enrichment/extracurricular activities. The Quality Innovation Fund was maintained to support a strategy of improving the quality of teaching and learning and support. A number of additional revision classes and support workshops were offered. The Quality Innovation Fund supported the appointment of facilitators and mentors to a number of areas which had a significant impact on student success, e.g. Level 2 BTEC Business. It also enabled specialist equipment to be purchased.

The Extended Project and General Studies remain the key additionality programmes for second year students. A major curriculum development is that of study programmes where the College is developing curriculum delivery. Some subject areas are offering an additional period of teaching; others support lessons at specific times during the week.

The curriculum is in general under constant review, with underperforming courses being replaced by more appropriate courses and syllabuses. The College now has fewer enrolments at AS level and more on BTEC programmes in line with meeting the needs of students.

#### **Staff and Student Involvement**

The College considers good communication with its staff to be very important and has developed its communication strategy. Due to timetable changes the weekly staff briefing no longer takes place. However, a more effective and structured approach to the "Tuesday Staff Period" and greater emphasis on group meetings supports feedback. The "Question Time" approach at full staff meetings remains in place. Professional Learning Communities were created and were held regularly in 2012/13. A number of working groups were created involving teaching and support staff to look at areas of the College and to suggest ways of improving the College. The College encourages staff and student involvement through membership of formal committees. A student College Council meets regularly to influence events. The joint Chairs of the College Council attend Corporation meetings; both are Corporation members.

#### **Payment Performance**

The Late Payment of Commercial Debts (Interest) Act 1998, which came into force on 1 November 1998, requires colleges, in the absence of agreement to the contrary, to make payments to suppliers within 30 days of either the provision of goods or services or the date on which the invoice was received. The target set by the Treasury for payment to suppliers within 30 days is 95 per cent. The College aims to pay all its suppliers within 30 days. The College incurred no interest charges in respect of late payment.

## **Operating and Financial Review (continued)**

### **Post Balance Sheet Events**

There are no post balance sheet events.

### **Future developments**

The College recruited 2,726 students in 2012/13, exceeding its target of 2,690. No further expansion is planned.

## **RESOURCES**

The College has various resources that it can deploy in pursuit of its strategic objectives.

Tangible resources include the College site. Plans had been made to replace a large proportion of the site with a new building. However, since LSC final approval was not granted, more modest plans were undertaken and will continue to be formulated to enhance the existing accommodation.

### *Financial*

The College has £16,296,000 (2012 - £14,415,000) of net assets (after deducting a £987,000 pension liability). It no longer has any debt finance (2012 - £323,000), with the final instalment having been paid in July 2013.

### *People*

The College employs 218 people (expressed as full-time equivalents) (2012 – 207 people) of whom 149 are teaching staff (2012 – 139).

### *Reputation*

The College has a good reputation locally and nationally. Maintaining high quality is essential for the College's success.

## **PRINCIPAL RISKS AND UNCERTAINTIES**

The College has a good system of internal control, including financial, operational and risk management, which is designed to protect the College's assets and reputation.

Based on the strategic plan, the Risk Management Group undertakes a comprehensive review of the risks to which the College is exposed. They identify systems and procedures, including specific preventable actions which should mitigate any potential impact on the College. The internal controls are then implemented and the subsequent year's appraisal will review their effectiveness and progress against risk mitigation actions. In addition to the annual review, the Risk Management Group will also consider any risks which may arise as a result of a new area of work being undertaken by the College.

A risk register is maintained at the College level which is reviewed at least annually by the Audit Committee and more frequently where necessary. The risk register identifies the key risks, the likelihood of those risks occurring, their potential impact on the College and the actions being taken to reduce and mitigate the risks. Risks are prioritised using a consistent scoring system.

This is supported by a risk management training programme to raise awareness of risk throughout the College.

Outlined below is a description of the principal risk factors that may affect the College. Not all the factors are within the College's control. Other factors besides those listed below may also adversely affect the College.

## Operating and Financial Review (continued)

### PRINCIPAL RISKS AND UNCERTAINTIES (CONTINUED)

#### 1. Government funding

The College has considerable reliance on continued government funding through the further education sector funding bodies. In 2013, 99% of the College's revenue was ultimately public funded and this level of requirement is expected to continue. There can be no assurance that government policy or practice will remain the same or that public funding will continue at the same levels or on the same terms.

The College is aware of issues which may impact on future funding:

- The continuing change in the structure of the 16-19 funding body.
- The proposed changes in the funding methodology to take effect in 2013/14.
- The coalition government policy and the constraints on public funding make the College's future income stream uncertain.

This risk is mitigated in a number of ways:

- By ensuring the College is rigorous in delivering high quality education and training.
- Considerable focus and investment is placed on maintaining and managing key relationships with the main funding body (the EFA).
- Ensuring the College is focused on those priority sectors which will continue to benefit from public funding.
- Regular dialogue with the funding bodies.

#### 2. Adequacy of accommodation

The College accommodation is ageing and is in need of continuing essential maintenance. These issues were due to be addressed by the new building programme which was not granted final LSC approval. Significant improvements have been managed through capital grants, but the College remains vulnerable.

This risk is mitigated in a number of ways:

- Setting a surplus budget such that more cash is generated for capital investment.
- Formulating a 3-year plan to prioritise capital requirements.
- Investigating other funding opportunities, including further borrowings.

#### 3. Maintain adequate funding of pension liabilities

The financial statements report the share of the pension scheme deficit on the College's balance sheet in line with the requirements of FRS 17.

### STAKEHOLDER RELATIONSHIPS

In line with other colleges and with universities, Havering Sixth Form College has many stakeholders. These include:

- students;
- education sector funding bodies;
- staff;
- local employers (with specific links);
- local authorities;
- Government Offices/ Regional Development Agencies/LEPs;
- the local community;
- other FE institutions;
- trade unions;
- professional bodies.

The College recognises the importance of these relationships and engages in regular communication with them through the College internet site and by meetings.

## **Operating and Financial Review (continued)**

### **Equality of Opportunity**

The College is committed to ensuring equality of opportunity for all who learn and work here. We respect and value positively differences in race, gender, sexual orientation, disability, religion or belief and age. We strive vigorously to remove conditions which place people at a disadvantage and we will actively combat bigotry. This policy is resourced, implemented and monitored on a planned basis. The College's Single Equality Policy is published on the College's Intranet site.

The College publishes an Annual Equality Report and Equality Objectives to ensure compliance with all relevant equality legislation including the Equality Act 2010. The College undertakes equality impact assessments on all new policies and procedures and publishes the results. Equality impact assessments are also undertaken for existing policies and procedures on a prioritised basis.

The College is working toward Investors In Diversity status. The College has also implemented an updated Equality and Diversity training programme which all staff have attended. Refresher training and training for new starters is carried out on an on-going basis.

### **Safeguarding**

The College has robust arrangements in place to ensure the safety of its students and staff. The Corporation reviews the College's Safeguarding policy annually and monitors regularly the effectiveness of both the policy and the arrangements. Staff and governor training takes place regularly to keep people up to date with current legislative requirements.

### **Disclosure of information to auditors**

The members of the Corporation who held office at the date of approval of this report confirm that, so far as they are each aware, there is no relevant audit information of which the College's auditors are unaware; and each member has taken all the steps that he or she ought to have taken to be aware of any relevant audit information and to establish that the College's auditors are aware of that information.

**Approved by order of the members of the Corporation on 12 December 2013 and signed on its behalf by:**

Ray Harris  
Chair

## Statement of Corporate Governance and Internal Control

The College is committed to exhibiting best practice in all aspects of corporate governance. This summary describes the manner in which the College has applied the principles set out in the UK Corporate Governance code (“the Code”) issued by the FRC in June 2010. Its purpose is to help the reader of the financial statements understand how the principles have been applied.

In the opinion of the governors, the College complies with all the provisions of the Code in so far as they apply to the Further Education Sector, and it has complied throughout the year ended 31 July 2013.

### The Corporation

The members who served the Corporation during the year ended 31 July 2013 and up to the date of signature of this report were as listed below.

Name	Date of appointment/ reappointment	Term of office or resignation	Status of appointment	Committees on which served	Attendance at full Corporation meetings (1/8/12- 31/7/13)	
Keith Darvill <i>Chair to July 2013</i>	Dec 2010	Dec 2014	Independent	F R S SP SD	100%	10 of 10

A = Audit; BG = Buildings Group; F = Finance; R = Remuneration; S = Search; SP = Selection Panel; SD = Student; ST = Steering Group

Roger Hawkins has been Clerk to the Corporation since 1 May 2004.

## **Statement of Corporate Governance and Internal Control (continued)**

It is the Corporation's responsibility to bring independent judgement to bear on issues of strategy, performance, resources and standards of conduct.

The Corporation is provided with regular and timely information on the overall student and financial performance of the College together with other information such as performance against funding targets, proposed capital expenditure, quality matters and personnel-related matters such as health and safety and environmental issues.

At the beginning of the year the Corporation resolved to pilot a different model of governance with considerably reduced reliance on Committees, for the duration of the financial year. It met ten times during the year at intervals of approximately one month.

The Corporation conducted most of its business at full Corporation. The Audit, Remuneration, Search, and Student Committees operated as previously, and the Finance Committee met once, primarily to give preliminary consideration to the budget. The Corporation approved the setting up of a Corporation Buildings' Group to support and monitor the new building developments and refurbishments. Each committee and group has terms of reference, which are approved annually by the Corporation. Full minutes of all meetings, except those deemed to be confidential by the Corporation, are available on the College website and from the Clerk to the Corporation at:

Havering Sixth Form College,  
Wingletye Lane, Hornchurch, RM11 3TB

The Clerk to the Corporation maintains a register of financial and personal interests of the members of the Corporation and senior members of the College's staff. The register is available for inspection at the above address.

All members of the Corporation are able to take independent professional advice in furtherance of their duties at the College's expense and have access to the Clerk to the Corporation, who is responsible to the Corporation for ensuring that all applicable procedures and regulations are complied with. The appointment and removal of the Clerk are matters for the Corporation as a whole.

Formal agendas, papers and reports are supplied to governors in a timely manner, prior to Corporation and committee meetings. Briefings and training are also provided.

The Corporation has a strong and independent non-executive element and no individual or group dominates its decision-making process. The Corporation considers that each of its non-executive members is independent of management and free from any business or other relationship which could materially interfere with the exercise of their independent judgement. There is a clear division of responsibility in that the roles of the Chair of the Corporation and Principal of the College are separate.

### **Appointments to the Corporation**

Any new appointments to the Corporation are a matter for the consideration of the Corporation as a whole. The Corporation has a Search Committee (membership details on page 7) which is responsible for the selection and recommendation of any new member for the Corporation's consideration. The Corporation is responsible for ensuring that appropriate training is provided as required.

Independent and Staff Members of the Corporation are appointed for a term of office not exceeding four years. They are eligible for re-appointment.

### **Remuneration Committee**

Throughout the year ended 31 July 2013, the College's Remuneration Committee comprised the members detailed on page 7. The Committee's responsibilities are to make recommendations to the Corporation on the remuneration and benefits of the Principal and the other senior post-holders.

Details of remuneration for the year ended 31 July 2013 are set out in note 6 to the financial statements.

## Statement of Corporate Governance and Internal Control (continued)

### Audit Committee

The Audit Committee comprises five members of the Corporation (excluding the Principal and Chair) and one co-opted committee member. The Committee operates in accordance with written terms of reference approved by the Corporation.

The Audit Committee meets at least once a term and provides a forum for reporting by the College's internal and financial statements auditors, who have access to the Committee for independent discussion, without the presence of College management. The Committee also receives and considers reports from the Education Funding Agency and other regulatory bodies as they affect the College's business.

The College's internal auditors monitor the systems of internal control, risk management controls and governance processes in accordance with an agreed plan of input and report their findings to management and the Audit Committee.

Management is responsible for the implementation of agreed recommendations and internal audit undertake periodic follow-up reviews to ensure such recommendations have been implemented.

On behalf of the Corporation, the Audit Committee appoints the internal and the regularity and financial statements auditors and approves their remuneration for both audit and non-audit work.

### Internal Control

**Scope of responsibility.** The Corporation is ultimately responsible for the College's system of internal control and for reviewing its effectiveness. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Corporation has delegated the day-to-day responsibility to the Principal, as Accounting Officer, for maintaining a sound system of internal control that supports the achievement of the College's policies, aims and objectives, whilst safeguarding the public funds and assets for which he is personally responsible, in accordance with the responsibilities assigned to him in the Financial Memorandum between Havering Sixth Form College and the funding body. He is also responsible for reporting to the Corporation any material weaknesses or breakdowns in internal control.

**The purpose of the system of internal control.** The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of College policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Havering Sixth Form College for the year ended 31 July 2013 and up to the date of approval of the annual report and accounts.

**Capacity to handle risk.** The Corporation has reviewed the key risks to which the College is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Corporation is of the view that there is a formal ongoing process for identifying, evaluating and managing the College's significant risks that has been in place for the year ended 31 July 2013 and up to the date of approval of the annual report and accounts. This process is regularly reviewed by the Corporation.

**The risk and control framework.** The system of internal control is based on a framework of regular management information, administrative procedures including the segregation of duties, and a system of delegation and accountability.

## Statement of Corporate Governance and Internal Control (continued)

### Internal Control (continued)

In particular, it includes:

- comprehensive budgeting systems with an annual budget, which is reviewed and agreed by the Corporation;
- regular reviews by the Corporation of periodic and annual financial reports which indicate financial performance and forecasts against targets;
- setting targets to measure financial and other performance;
- clearly defined capital investment control guidelines;
- the adoption of formal project management disciplines, where appropriate.

Havering Sixth Form College has an internal audit service. The work of the internal audit service is informed by an analysis of the risks to which the College is exposed, and annual internal audit plans are based on this analysis and the assurance framework agreed with the Corporation. The analysis of risks and the internal audit plans are approved by the Audit Committee on behalf of the Corporation. At minimum annually, the Head of Internal Audit (HIA) provides the Corporation with a report on internal audit activity in the College. The report includes the HIA's independent opinion on the adequacy and effectiveness of the College's system of risk management, controls and governance processes.

**Review of effectiveness.** As Accounting Officer, the Principal has responsibility for reviewing the effectiveness of the system of internal control. His review of the effectiveness of the system of internal control is informed by:

- the work of the internal auditors;
- the work of the executive managers within the College who have responsibility for the development and maintenance of the internal control framework;
- comments made by the College's financial statements auditors and the regularity auditors in their management letters and other reports.

The Principal has been advised on the implications of the result of his review of the effectiveness of the system of internal control by the Audit Committee, which oversees the work of the internal auditor, and a plan to address weaknesses and ensure continuous improvement of the system is in place.

The College Executive receives reports setting out key performance and risk indicators and considers possible control issues brought to their attention by early warning mechanisms, which are embedded within the departments and reinforced by risk awareness training. The College Executive and the Audit Committee also receive regular reports from internal audit, which include recommendations for improvement. The Audit Committee's role in this area is confined to a high level review of the arrangements for internal control. The Corporation's agenda includes a regular item for consideration of risk and control and receives reports thereon from the College Executive and Audit Committee. The emphasis is on obtaining the relevant degree of assurance and not merely reporting by exception.

### Going Concern

After making appropriate enquiries, the Corporation considers that the College has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements.

Approved by order of the members of the Corporation on 12 December 2013 and signed on its behalf by:

Ray Harris  
Chair

Paul Wakeling  
Principal

## Statement of Responsibilities of the Members of the Corporation

The members of the Corporation are required to present audited financial statements for each financial year.

Within the terms and conditions of the Financial Memorandum agreed between the Education Funding Agency and the Corporation of the College, the Corporation, through its Principal, is required to prepare financial statements for each financial year in accordance with the *2007 Statement of Recommended Practice – Accounting for Further and Higher Education* and with the *Accounts Direction for 2012/13 financial statements* issued jointly by the Skills Funding Agency and the Education Funding Agency, and which give a true and fair view of the state of affairs of the College and the result for that year.

In preparing the financial statements the Corporation is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare financial statements on the going concern basis, unless it is inappropriate to assume that the College will continue in operation.

The Corporation is also required to prepare an Operating and Financial Review which describes appropriate objectives and the actions to achieve those objectives, including the legal and administrative status of the College.

The Corporation is responsible for keeping proper accounting records, which disclose with reasonable accuracy, at any time, the financial position of the College and which enable it to ensure that the financial statements are prepared in accordance with the relevant legislation of incorporation and other relevant accounting standards. It is responsible for taking such steps that are reasonably open to it in order to safeguard assets of the College and to prevent and detect fraud and other irregularities.

The maintenance and integrity of the College website is the responsibility of the Corporation of the College; the work carried out by the auditors does not involve consideration of these matters and, accordingly, the auditors accept no responsibility for any changes that may have occurred to the financial statements since they were initially presented on the website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Members of the Corporation are responsible for ensuring that expenditure and income are applied for the purposes intended by Parliament and that the financial transactions conform to the authorities that govern them. In addition they are responsible for ensuring that funds from the from the EFA are used only in accordance with the Financial Memorandum with the EFA and any other conditions that may be prescribed from time to time. Members of the Corporation must ensure that there are appropriate financial and management controls in place in order to safeguard public and other funds and to ensure that they are used only in accordance with the conditions under which they have been made available. In addition, members of the Corporation are responsible for securing the economical, efficient and effective management of the College's resources and expenditure, so that the benefits that should be derived from the application of public funds from the EFA are not put at risk.

Approved by order of the members of the Corporation on 12 December 2013 and signed on its behalf by:

Ray Harris  
Chair

## **Independent auditor's report to the Corporation of Havering Sixth Form College**

We have audited the financial statements of Havering Sixth Form College for the year ended 31 July 2013 which comprise the income and expenditure account, the balance sheet, the cashflow statement, the statement of total recognised gains and losses and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and UK accounting standards (UK Generally Accepted Accounting Practice).

This report is made solely to the Corporation, as a body, in accordance with Article 22 of the College's Articles of Government. Our audit work has been undertaken so that we might state to the Corporation, as a body, those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Corporation, as a body, for our audit work, for this report, or for the opinions we have formed.

### **Respective Responsibilities of the Corporation of Havering Sixth Form College and Auditor**

As explained more fully in the Statement of Responsibilities of the members of the Corporation, the Corporation is responsible for the preparation of financial statements which give a true and fair view.

Our responsibility is to audit, and express an opinion on, the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

### **Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the College's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Corporation; and the overall presentation of the financial statements. In addition we read all the financial and non-financial information in the Report of the Corporation to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies, we consider the implications for our report.

### **Opinion on financial statements**

In our opinion the financial statements:

- give a true and fair view, in accordance with UK Generally Accepted Accounting Practice, of the state of the College's affairs as at 31 July 2013 and of the College's surplus of income over expenditure for the year then ended;
- have been properly prepared in accordance with the 2007 Statement of Recommended Practice – Accounting for Further and Higher Education.

### **Opinion on other matters prescribed by the revised Joint Audit Code of Practice (Part 1) issued jointly by the Skills Funding Agency and the EFA and the Audit Code of Practice issued by the Learning and Skills Council**

In our opinion:

- proper accounting records have been kept, and
- the financial statements are in agreement with the accounting records.

## **Independent auditor's report on regularity to the Corporation of Havering Sixth Form College ('the Corporation') and the Education Funding Agency**

In accordance with the terms of our engagement letter dated 4 June 2009 and further to the requirements of the EFA, we have carried out a review to obtain assurance about whether, in all material respects, the expenditure and income of Havering Sixth Form College ('the College') for the year ended 31 July 2013 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to the Corporation and the EFA. Our review work has been undertaken so that we might state to the Corporation and the EFA those matters we are required to state to it in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Corporation and the EFA, for our review work, for this report, or for the opinion we have formed.

### **Respective responsibilities of the Members of the Corporation of Havering Sixth Form College and Auditor**

The College's Corporation is responsible, under the requirements of the Further & Higher Education Act 1992, subsequent legislation and related regulations, for ensuring that expenditure and income is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this review are established in the United Kingdom by our profession's ethical guidance and the audit guidance set out in the Audit Code of Practice and the Regularity Audit Framework issued by the Learning and Skills Council. We report to you whether, in our opinion, in all material respects, the College's expenditure and income for the year ended 31 July 2013 have been applied to purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

### **Basis of opinion**

We conducted our review in accordance with the Audit Code of Practice and the Regularity Audit Framework issued by the Learning and Skills Council. Our review includes examination, on a test basis, of evidence relevant to the regularity and propriety of the College's income and expenditure.

### **Opinion**

In our opinion, in all material respects the expenditure and income for the year ended 31 July 2013 have been applied to the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

In this statement, figures in brackets refer to cash outflows and all other figures are cash inflows to the College.

## Notes to the Accounts

### 1 Accounting policies

#### Statement of accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements.

#### Basis of preparation

These financial statements have been prepared in accordance with the *Statement of Recommended Practice: Accounting for Further and Higher Education 2007* (the SORP), *the Accounts Direction for 2012-13 financial statements* and in accordance with applicable Accounting Standards.

#### Basis of accounting

The financial statements are prepared in accordance with the historical cost convention modified by the revaluation of certain fixed assets, and in accordance with applicable UK Accounting Standards.

#### Going concern

The activities of the College, together with the factors likely to affect its future development and performance are set out in the Operating and Financial Review. The financial position of the College, its cashflow, liquidity and borrowings are described in the Financial Statements and accompanying Notes.

The College has a reasonable expectation that it has adequate resources to continue its operational existence for the foreseeable future, and for this reason will continue to adopt the going concern basis in the preparation of the Financial Statements.

#### Recognition of income

Funding body recurrent grants are recognised in line with best estimates for the period of what is receivable and depend on the particular income stream involved. Any under or over achievement for the Adult Skills Budget element is adjusted for and reflected in the level of recurrent grant recognised in the income and expenditure account. The final grant income is normally determined with the conclusion of the year end reconciliation process with the funding body at the end of November following the year end, and the results of any funding audits. 16-18 learner-responsive funding is not normally subject to reconciliation and is therefore not subject to contract adjustments.

Non-recurrent grants from the funding bodies or other bodies received in respect of the acquisition of fixed assets are treated as deferred capital grants and amortised in line with depreciation over the life of the assets.

Income from tuition fees is recognised in the period for which it is received and includes all fees payable by students or their sponsors.

Income from grants, contracts and other services rendered is included to the extent the conditions have been met or to the extent of the completion of the contract or service concerned.

## Notes to the Accounts (continued)

### Post retirement benefits

Retirement benefits to employees of the College are provided by the Teachers Pension Scheme (TPS) and the Local Government Pension Scheme (LGPS). These are defined benefit schemes, which are externally funded and contracted out of the State Earnings-Related Pension Scheme (SERPS).

Contributions to the TPS are calculated so as to spread the cost of pensions over employees' working lives with the College in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by qualified actuaries on the basis of quinquennial valuations using a prospective benefit method. As stated in note 17, the TPS is a multi-employer scheme and the College is unable to identify its share of the underlying assets and liabilities of the scheme on a consistent and reasonable basis. The TPS is therefore treated as a defined contribution scheme and the contributions recognised as they are paid each year.

The assets of the LGPS are measured using closing market values. LGPS liabilities are measured using the projected unit method and discounted at the current rate of return on a high quality corporate bond of equivalent term and currency to the liability. The increase in the present value of the liabilities of the scheme expected to arise from employee service in the period is charged to the operating surplus. The expected return on the scheme's assets and the increase during the period in the present value of the scheme's liabilities, arising from the passage of time, are included in pension finance costs. Actuarial gains and losses are recognised in the statement of total recognised gains and losses.

### Tangible fixed assets

#### *Land and buildings*

Land and buildings inherited from the Local Education Authority (LEA) are stated in the balance sheet at valuation on the basis of depreciated replacement cost, as the open market value for existing use is not readily obtainable. The associated credit is included in the revaluation reserve. The difference between depreciation charged on the historic cost of assets and the actual charge for the year calculated on the revalued amount is released to the income and expenditure account on an annual basis.

Land and buildings acquired since incorporation are included in the balance sheet at cost. Freehold land is not depreciated. Freehold buildings are depreciated over their expected useful economic life to the College of between twenty and fifty years on a straight-line basis.

Improvement on property and remodelling are included in the balance sheet and are depreciated over their estimated useful economic life to the College of ten years on a straight-line basis.

Where land and buildings are acquired with the aid of specific grants, they are capitalised and depreciated as above. The related grants are credited to a deferred capital grant account and are released to the income and expenditure account over the expected useful economic life of the related asset on a basis consistent with the depreciation policy.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying amount of any fixed asset may not be recoverable.

On adoption of FRS 15, the College followed the transitional provision to retain the book value of land and buildings, but not to adopt a policy of revaluations of these properties in the future. These values are retained subject to the requirement to test assets for impairment in accordance with FRS 11.

## Notes to the Accounts (continued)

### *Assets under construction*

Assets under construction are accounted for at cost, based on the value of architects' certificates and other direct costs, incurred to 31 July. They are not depreciated until they are brought into use.

### *Equipment*

Equipment costing less than 0.02% of budgeted funding body recurrent grant per individual item is written off to the income and expenditure account in the period of acquisition. All other equipment is capitalised at cost.

Equipment is depreciated over its useful economic life on a straight-line basis as follows:

General equipment	- 5 years
Computer equipment	- 3-5 years

Where equipment is acquired with the aid of specific grants, it is capitalised and depreciated in accordance with the above policy, with the related grant being credited to a deferred capital account and released to the income and expenditure account over the expected useful economic life of the related equipment.

### **Leased assets**

All leases are operating leases. Payments under operating leases are charged against income in the year the payments are made.

### **Maintenance of premises**

The cost of routine corrective maintenance is charged to the income and expenditure account in the period in which it is incurred.

### **Taxation**

The College is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the College is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part II of the Corporation Tax Act 2010 or section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied to exclusively charitable purposes.

The College receives no similar exemption in respect of Value Added Tax. For this reason the College is generally unable to recover input VAT it suffers on goods and services purchased. Non-pay expenditure is therefore shown inclusive of VAT with any partial recovery netted off against these figures.

### **Liquid resources**

Liquid resources include sums on short-term deposits with recognised banks and building societies and government securities.

### **Provisions**

Provisions are recognised when the College has a present legal or constructive obligation as a result of a past event. It is probable that a transfer of economic benefit will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

**Notes to the Accounts (continued)****Agency arrangements**

The College acts as an agent in the collection and payment of Bursary Funds. Related payments received from the funding bodies organisations and subsequent disbursements to students are excluded from the Income and Expenditure account and are shown separately in Note 26, except for the 5 per cent of the grant received which is available to the College to cover administration costs relating to the grant. The College employs one member of staff dedicated to the administration of Bursary Fund applications and payments.

<b>2</b>	<b>Funding body grants</b>	<b>2013</b>	<b>2012</b>
		<b>£'000</b>	<b>£'000</b>

		<u>83</u>	<u>113</u>
<b>4</b>	<b>Investment income</b>	<b>2013</b>	<b>2012</b>
		<b>£'000</b>	<b>£'000</b>
	Interest receivable	18	11

**Notes to the Accounts (continued)****5 Staff numbers and costs**

The average number of persons employed by the College (including senior post-holders) during the year, described as full-time equivalents, was as follows:

	<b>2013</b>	<b>2012</b>
	<b>Number</b>	<b>Number</b>
Teaching staff	149	139
Non-teaching staff	69	68
	<u>218</u>	<u>207</u>

	<b>2013</b>	<b>2012</b>
	<b>£'000</b>	<b>£'000</b>
Staff costs for the above persons were as follows:		
Wages and salaries	7,247	6,888
Social security costs	562	525
Other pension costs (including FRS 17 adjustment of £46,000 debit - 2012 £14,000 debit)	963	903
Payroll sub-total	<u>8,772</u>	<u>8,316</u>
Contracted-out staffing services	167	101
<b>Total staff costs</b>	<u><u>8,939</u></u>	<u><u>8,417</u></u>

The number of senior post-holders (including the Principal) and other staff who received annual emoluments excluding pension contributions but including benefits in kind, in the following ranges was:

	<b>Senior post-holders</b>	
	<b>2013</b>	<b>2012</b>
	<b>Number</b>	<b>Number</b>
£20,001 - £30,000	1	1
£50,001 - £60,000	-	1
£60,001 - £70,000	1	-
£110,001 - £120,000	1	1
	<u>3</u>	<u>3</u>

No other Staff members earned over £60,000 in the year (2012 – none).

**6 Emoluments of senior post-holders and members**

Senior post holders are defined as the Principal and holders of other senior posts whom the Corporation has selected for the purposes of the articles of government of the College relating to the appointment and promotion of staff who are appointed by the Corporation.

	<b>2013</b>	<b>2012</b>
	<b>Number</b>	<b>Number</b>
The number of senior post-holders including the Principal was:	<u>3</u>	<u>3</u>
Senior post-holders' emoluments are made up as follows:		
	<b>2013</b>	<b>2012</b>
	<b>£'000</b>	<b>£'000</b>
Salaries	202	203
Pension contributions	29	29
<b>Total emoluments</b>	<u><u>231</u></u>	<u><u>232</u></u>

**Notes to the Accounts (continued)****6 Emoluments of senior post-holders and members (continued)**

The above emoluments include amounts paid to the Principal (who is also the highest paid senior post-holder) of:

	<b>2013</b>	<b>2012</b>
	<b>£'000</b>	<b>£'000</b>
Salary	117	118
Pension contributions	<u>16</u>	<u>16</u>
	<u>133</u>	<u>134</u>

The pension contributions in respect of the Principal and other senior post-holders are in respect of employer's contributions to the Teachers' Pension Scheme and are paid at the same rate as for other employees.

<b>7 Other operating expenses</b>	<b>2013</b>	<b>2012</b>
	<b>£'000</b>	<b>£'000</b>
Teaching costs	188	194
Non-teaching costs	1,393	1,254
Premises costs	<u>896</u>	<u>846</u>
Total	<u>2,477</u>	<u>2,294</u>
Other operating expenses include:		
Auditor's remuneration		
Financial statements audit	13	13
Other services provided by the financial statements auditor	4	4
Internal audit	<u>17</u>	<u>17</u>
Operating leases		
Hire of photocopiers	79	79
Hire of computers	<u>44</u>	<u>137</u>

<b>8 Interest payable and other finance costs</b>	<b>2013</b>	<b>2013</b>
	<b>£'000</b>	<b>£'000</b>
Interest on loan finance	2	7
Pension finance costs (note 17)	<u>32</u>	<u>14</u>
	<u>34</u>	<u>21</u>

**9 Taxation**

The members do not believe the College is liable for any corporation tax arising out of its activities during either year.

**Notes to the Accounts (continued)**

<b>10 Tangible fixed assets</b>	<b>Land and buildings</b>			<b>Total £'000</b>
	<b>Freehold £'000</b>	<b>Improve- ments £'000</b>	<b>Equipment £'000</b>	
<b>Cost or valuation</b>				
At 1 August 2012	15,135	4,879	4,070	24,084
Additions	1,762	1,789	603	4,154
	<hr/>	<hr/>	<hr/>	<hr/>
<b>At 31 July 2013</b>	<b>16,897</b>	<b>6,668</b>	<b>4,673</b>	<b>28,238</b>
	<hr/>	<hr/>	<hr/>	<hr/>
<b>Depreciation</b>				
At 1 August 2012	5,937	2,246	3,557	11,740
Charge for year	314	563	319	1,196
	<hr/>	<hr/>	<hr/>	<hr/>
<b>At 31 July 2013</b>	<b>6,251</b>	<b>2,809</b>	<b>3,876</b>	<b>12,936</b>
	<hr/>	<hr/>	<hr/>	<hr/>
<b>Net book value at 31 July 2013</b>	<b>10,646</b>	<b>3,859</b>	<b>797</b>	<b>15,302</b>
	<hr/>	<hr/>	<hr/>	<hr/>
Net book value at 31 July 2012	9,198	2,633	513	12,344
	<hr/>	<hr/>	<hr/>	<hr/>

The transitional rules set out in FRS 15 Tangible Fixed Assets have been applied on implementing FRS 15. Accordingly, the book values at implementation have been retained.

Land and buildings were valued for the purpose of the 1994 accounts at depreciated replacement cost by an external body, Chief Executives Department, EFA, in accordance with the RICS Statement of Asset Valuation Practice and Guidance notes.

Included within land and buildings is an amount of £2,700,000 being the valuation of land. This is not depreciated.

Land and buildings with a net book value of £6,957,000 (2012: £7,184,000) have been financed from exchequer funds through, for example, the receipt of capital grants. Should these assets be sold, the College may be liable, under the terms of the financial memorandum, to surrender the proceeds.

Total Pension Cost for Year	<b>963</b>	<b>903</b>
	<hr/>	<hr/>

The pension costs are assessed in accordance with the advice of independent qualified actuaries. The latest actuarial valuations of the TPS was 31 March 2004 and the LGPS 31 March 2010.

There were no outstanding or prepaid contributions at either the beginning or end of the financial year.

**Teachers' Pension Scheme**

The Teachers' Pension Scheme ("TPS") is a statutory, contributory, defined benefit scheme. The regulations under which the TPS operates are the Teachers' Pensions Regulations 2010. These regulations apply to teachers in schools and other educational establishments in England and Wales maintained by local authorities, to teachers in many independent and voluntary-aided schools, and to teachers and lecturers in establishments of further and higher education. Membership is automatic for full-time teachers and lecturers and from 1 January 2007 automatic too for teachers and lecturers in part-time employment following appointment or a change of contract. Teachers and lecturers are able to opt out of the TPS.

## Notes to the Accounts (continued)

### 17 Pension and similar obligations (continued)

#### The Teachers' Pension Budgeting and Valuation Account

Although teachers and lecturers are employed by various bodies, their retirement and other pension benefits, including annual increases payable under the Pensions (Increase) Acts are, as provided for in the Superannuation Act 1972, paid out of monies provided by Parliament. Under the unfunded TPS, teachers' contributions on a 'pay-as-you-go' basis, and employers' contributions, are credited to the Exchequer under arrangements governed by the above Act.

The Teachers' Pensions Regulations require an annual account, the Teachers' Pension Budgeting and Valuation Account, to be kept of receipts and expenditure (including the cost of pensions' increases). From 1 April 2001, the Account has been credited with a real rate of return (in excess of price increases and currently set at 3.5%), which is equivalent to assuming that the balance in the Account is invested in notional investments that produce that real rate of return.

#### Valuation of the Teachers' Pension Scheme

Not less than every four years the Government Actuary ("GA"), using normal actuarial principles, conducts a formal actuarial review of the TPS. The aim of the review is to specify the level of future contributions.

The contribution rate paid into the TPS is assessed in two parts. First, a standard contribution rate ("SCR") is determined. This is the contribution, expressed as a percentage of the salaries of teachers and lecturers in service or entering service during the period over which the contribution rate applies, which if it were paid over the entire active service of these teachers and lecturers would broadly defray the cost of benefits payable in respect of that service. Secondly, a supplementary contribution is payable if, as a result of the actuarial investigation, it is found that accumulated liabilities of the Account for benefits to past and present teachers, are not fully covered by standard contributions to be paid in future and by the notional fund built up from past contributions. The total contribution rate payable is the sum of the SCR and the supplementary contribution rate.

The last valuation of the TPS related to the period 1 April 2001 - 31 March 2004. The GA's report of October 2006 revealed that the total liabilities of the Scheme (pensions currently in payment and the estimated cost of future benefits) amounted to £166,500 millions. The value of the assets (estimated future contributions together with the proceeds from the notional investments held at the valuation date) was £163,240 millions. The assumed real rate of return is 3.5% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 1.5%. The assumed gross rate of return is 6.5%.

As from 1 January 2007, and as part of the cost-sharing agreement between employers' and teachers' representatives, the SCR was assessed at 19.75%, and the supplementary contribution rate was assessed to be 0.75% (to balance assets and liabilities as required by the regulations within 15 years). This resulted in a total contribution rate of 20.5%, which translated into an employee contribution rate of 6.4% and employer contribution rate of 14.1% payable. The cost-sharing agreement also introduced – effective for the first time for the 2008 valuation – a 14% cap on employer contributions payable.

## Notes to the Accounts (continued)

### 17 Pension and similar obligations (continued)

#### Scheme Changes

From 1 April 2012 to 31 July 2013, the employee contribution rate has ranged between 6.4% and 8.8%, depending on a member's Full Time Equivalent salary. Further changes to the employee contribution rate will be applied in 2013-14 and 2014-15.

Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. Many of these are being discussed in the context of the design for a reformed TPS, as set out in the Proposed Final Agreement, and scheme valuations are, therefore, currently suspended. The Government, however, has set out a future process for determining the employer contribution rate under the new scheme, and this process will involve a full actuarial valuation.

The Proposed Final Agreement can be found at:

<http://media.education.gov.uk/assets/files/ppt/t/tps%20proposed%20final%20agreement.pdf>

The pension costs paid to TPS in the year amounted to £727,000 (2012: £703,000).

#### FRS 17

Under the definitions set out in Financial Reporting Standard (FRS 17) Retirements Benefits, the TPS is a multi-employer pension scheme. The College is unable to identify its share of the underlying assets and liabilities of the scheme.

Accordingly, the College has taken advantage of the exemption in FRS 17 and has accounted for its contributions to the scheme as if it were a defined-contribution scheme. The College has set out above the information available on the deficit in the scheme and the implications for the College in terms of the anticipated contribution rates.

#### Local Government Pension Scheme

The LGPS is a funded defined-benefit scheme, with the assets held in separate funds administered by the London Borough of Havering. The total contribution for the year ended 31 July 2013 was £262,000 of which employer's contributions totalled £190,000 and employees' contributions totalled £72,000. The agreed contribution rates for the following year to 31 March 2014 are 14.2% for the employer, together with a monthly lump sum payment of £2,167. The rates from 1 April 2014 are not yet known. The employee rates are 5.8% to 7.2% depending on the salary band.

#### FRS 17

The following information is based upon a full actuarial valuation of the Fund at 31 March 2010 updated to 31 July 2013 by a qualified independent actuary.

	At 31 July 2013	At 31 July 2012
Rate of increase in salaries	4.6%	4.0%
Rate of increase for pensions	2.8%	2.2%
Discount rate for scheme liabilities	4.6%	4.1%
Inflation assumption (CPI)	2.8%	2.2%
Commutation of pre 1 April 2008 pensions to lump sums	50%	50%
Commutation of post 31 March 2008 pensions to lump sums	75%	75%

**Notes to the Accounts (continued)****17 Pension and similar obligations (continued)**

The current mortality assumptions include sufficient allowance for future improvements in mortality rates. The assumed life expectations on retirement age 65 are:

	<b>At 31 July 2013</b>	<b>At 31 July 2012</b>
<i>Retiring today</i>		
Males	21.9 years	21.9 years
Females	24.6 years	24.6 years
<i>Retiring in 20 years</i>		
Males	23.8 years	23.8 years
Females	26.5 years	26.5 years

The College's share of assets and liabilities in the scheme and the expected rates of return were:

	<b>Long-term rate of return expected at 31 July 2013</b>	<b>Value at 31 July 2013 £'000</b>	<b>Long-term rate of return expected at 31 July 2012</b>	<b>Value at 31 July 2012 £'000</b>
Equities	6.4%	2,267	5.5%	1,561

<b>Net cash outflow from financing</b>	<u>(323)</u>	<u>(323)</u>

**21 Post balance sheet events**

There are no post balance sheet events.

**22 Capital commitments**

	<b>2013</b>	<b>2012</b>
	<b>£'000</b>	<b>£'000</b>
Commitments contracted for at 31 July	<u>1,929</u>	<u>1,562</u>
Authorised but not contracted for at 31 July	<u>368</u>	<u>2,423</u>

The commitments relate to work on the premises in the summer of 2013, financed in part by the Building Conditions Improvement Fund grant of £1,500,000.

**23 Financial commitments**

At 31 July the College had annual commitments under non-cancellable operating leases:

	<b>2013</b>	<b>2012</b>
	<b>£'000</b>	<b>£'000</b>
Equipment		
Expiring within one year	-	44
Expiring within two to five years inclusive	<u>79</u>	<u>79</u>
	<u>79</u>	<u>123</u>

**Notes to the Accounts (continued)****24 Contingent liability**

There are no contingent liabilities of which the College is aware.

**25 Related party transactions**

Due to the nature of the College's operations and the composition of the Corporation (being drawn from local public and private sector organisations) it is inevitable that transactions will take place with organisations in which a member of the Corporation may have an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the College's financial regulations and normal procurement procedures.

**26 Amounts disbursed as agent**

<b>Bursary Funds</b>	<b>2013</b>	<b>2012</b>
	<b>£'000</b>	<b>£'000</b>
Funding body grants – hardship support	362	205
Disbursed to students	(276)	(162)
Administration costs	<u>(18)</u>	<u>(10)</u>
Amount underspent at 31 July	<u>68</u>	<u>33</u>

Funding body grants are available solely for students; the College acts only as a paying agent. The grants and related disbursements are therefore excluded from the Income and Expenditure Account.
